## THE SPACE NATION

To the President of Germany  
Frank-Walter Steinmeier

Dear Mr. President,

Please accept my warmest congratulations on your election as the new German President. I wish you great success in achieving your goals for the benefit of your homeland — Germany, and for the benefit of our common homeland — planet Earth.

Asgardia, the world's first Space Nation, seeks to provide all countries on earth with access to space. Being the Head of Asgardia, I sincerely hope Germany will be among the first to recognize Asgardia as an independent country.

I look forward to friendship and productive collaboration between our nations.

Sincerely,

**Igor Ashurbeyli**  
The Head of Nation, Asgardia
