CENTRAL ELECTORAL COMMISSION

Annex 2 to Decree No. 71

PROTOCOL No. 5

Of the Sitting of the Central Electoral Commission (CEC)

Following the review of the Results of the Election to the Second Parliament of Asgardia

03 LEO 0007 (20 June 2023)

The Central Electoral Commission (CEC), under the chairmanship of Markus Gronbach, has reviewed the report of the Counting Commission under the chairmanship of Saltanat Shalakhmetova.

The CEC confirms that the preliminary verification of 231 candidates (Annex 1) who have met the mandatory requirements as per the Provision on Elections to the Parliament of Asgardia as well as the review of the identification documents of the candidates have been deemed valid.

Based on the Counting Commission's report (Annex 2), the results of the elections to the second Parliament of Asgardia are currently available, resulting in the identification of 150 members of Parliament (Annex 3).

No falsifications or other instances of gross misconducts have been uncovered.

In accordance with the Regulations of the Asgardian Parliament election, the CEC starts the mandatory international criminal background check, which will begin 72 hours following the publication of this decree. If a member of Parliament refuses the background check, and thus removes their candidacy, they must immediately notify CEC by sending a message to elections@asgardia.space with the subject line "Criminal Background Check."

A Member of Parliament can also be rejected after the Criminal Background Check, should the CEC be presented with facts of violation of election regulations and/or the Constitution of Asgardia. Acceptance of and adherence to the Constitution of Asgardia are mandatory for all of the citizens of Asgardia.

Markus Gronbach
Chairman

PARLIAMENT COUNTING COMMISSION

Annex 2 to Protocol No. 5 of the Central Electoral Commission

PROTOCOL No. 5

Of the sitting of the Counting Commission

Following the review of the Results of the Election to the Second Parliament of Asgardia

03 LEO 0007 (20 June 2023)

Members of the Counting Commission were presented with logfiles (the files that contain all the relevant data to verify votes, e.g. IP-addresses) of the last voting period for the elections to the Second Parliament of Asgardia, which took place during the period of 01-02 Leo 0007 (18-19 June 2023).

A review of violations such as vote falsification and others has been conducted to ensure that no candidates used illegal technological manipulations for increasing the number of votes they received and/or directly or indirectly acted in violation of the Constitution of Asgardia.

The logs of 231 candidates have been reviewed. As of the voting commencement, these candidates have met the mandatory requirements as per the Provision on Parliamentary elections and the voting period.

This review included the verification of data in candidate profiles on the basis of their personal identification documents.

As a result of the counting of votes at the time of this protocol drafting, according to the CEC announcement about the closing of the voting period, 150 members of Parliament were identified as having received the maximum number of votes. The list is attached.
