## THE SPACE NATION

**To the President of the Irish Republic  
Mr. Michael Daniel Higgins**

Dear Mr. President,

Please accept my warmest congratulations on your re-election as Irish President. I wish you great success in achieving your goals for the benefit of your homeland – the Irish Republic, and for the benefit of our common homeland – planet Earth.

Asgardia, the world's first Space Nation, seeks to provide all countries on Earth with access to space. Being the Head of Asgardia, I sincerely hope the Irish Republic will be among the first to recognize Asgardia as an independent country.

I look forward to friendship and productive collaboration between our nations.

Sincerely,

**Igor Ashurbeyli**  
The Head of Nation, Asgardia
