### REPORT

#### BY CHAIRMAN OF PARLIAMENT: VERIFICATIONS

07 JULY 2018 (20 ASGARD 0002), LONDON

This report summarises the outcome of the verification of ONE individual seeking to be approved as an Asgardian Member of Parliament, with full rights to serve and function within the Parliament.

#### BACKGROUND

Asgardian Members of Parliament must be verified 'face-to-face' – to ensure the authenticity of their credentials and identity. To facilitate this process, the first verification event (known as an 'OVAL') occurred on 7th July 2018 (earth calendar).

#### OUTCOME

One individual, Nigel Evans, attended. He presented his credentials, was interviewed by the Chairman of Parliament, and his identity was recorded on paper and photographically.

I can report that Mr Evans was verified as a legitimate Asgardian Member of Parliament, having satisfactorily demonstrated his identity to be authentic and his credentials to be genuine. *(See Appendix 1 for the list of verified AMPs.)*

#### OTHER ACTIVITY

The Chairman also conducted a brief induction session to provide an overview of how Parliament functions and what is expected of AMPs. Given the geographical proximity of the individual to the Chairman's own residence, it has been agreed to complete this induction on 31st July 2018 (earth calendar).

#### NEXT STEPS

- The Chairman of Parliament will explore the potential contribution of this highly experienced politician in the forthcoming meeting, and seek to achieve benefit for Asgardia from his goodwill and many years of political endeavour.
- Part of the discussion will relate to Mr Evans' potential assistance with Asgardia's international political outreach effort to other nations.
