## DECREE No. 89

2 Capricornus 0009 (4 December 2025)

### **On the drafting and consideration of a legislative proposal “On the Land of Asgardia in Antarctica” and amendments to the “Citizenship Act”**

Whereas Asgardia wishes to be recognized on Earth as an independent state in accordance with its Constitution.

Whereas in order to achieve the above Asgardia must possess a certain territory on Earth.

Whereas on Earth, there is a so-called “Marie Byrd Land” in Antarctica that does not belong to any Earth state.

Whereas Asgardia, currently an unrecognized state on Earth established in 2016, has not signed the 1959 Antarctic Treaty.

#### **I hereby order**

the Parliament of Asgardia to immediately draft and consider a legislative proposal “On the Land of Asgardia in Antarctica” and amendments to the “Citizenship Act”, including, but not limited to, the following points:

- The size of the land of Asgardia in Antarctica and its geographical perimeters
- The size of the portion of this land to be distributed among the citizens of Asgardia upon completion of the required legal procedures
- The size of the portion of this land remaining in the state ownership of Asgardia upon completion of the required legal procedures

- The individual plot size of this land for each citizen of Asgardia
- The minimum and maximum number of plots a citizen of Asgardia can potentially own
- The registration of digital ownership rights to land plots as a free option available with Asgardia citizenship, with a subsequent transition to actual ownership upon completion of the required legal procedures
- The registration of digital ownership rights to land plots to be valued in terms of a utility coin named Lunar upon completion of the required legal procedures
- Considering the signing of the 1959 Antarctic Treaty during the period of recognition of the independence of Asgardia at the stage of its joining the UN
