DECREE No. 39

16 Capricorn 0003 (18 December 2019)

On creating a workgroup to prepare a draft law on the judicial system of Asgardia

Based on the decision of the IV sitting of the Supreme Space Council adopted on 24 Sagittarius 0003 (28 November 2019) in Moscow, I announce the creation of a workgroup to prepare a draft law on the judicial system of Asgardia.

The group shall include Yun Zhao (Supreme Justice, Group Leader), Salvos Mouzakitis (Chair of the Justice Committee), and Markus Gronbach (Minister of Justice).

The draft law is to consider 4 branches of law (civil, criminal, administrative, constitutional), the continental principle of the bench, and the regularity of the bench sittings, including those in the digital format.

Prepare and submit a draft law on the judicial system for the first reading at the first Parliament sitting in 2020 (February) and prepare it for final adoption at the second sitting in May 2020.

Submit the names of relevant continental judge candidates for approval by the SSC in May 2020, with their subsequent submission to the Parliament.

Hold their inauguration ceremony in a solemn setting at Asgardia's Executive Congress. Thereafter, have the first sitting of the Presidium of the Supreme Court of Asgardia.
