THE SPACE NATION

**To the President of the United Mexican States
Mr. Andrés Manuel López Obrador**

Dear Mr. President,

Please accept my warmest congratulations on your election as Mexican President. I wish you great success in achieving your goals for the benefit of your homeland – the United Mexican States, and for the benefit of our common homeland – planet Earth.

Asgardia, the world's first Space Nation, seeks to provide all countries on Earth with access to space. Being the Head of Asgardia, I sincerely hope the United Mexican States will be among the first to recognize Asgardia as an independent country.

I look forward to friendship and productive collaboration between our nations.

Sincerely,

Igor Ashurbeyli
The Head of Nation, Asgardia
