### REPORT

BY HEAD OF ADMINISTRATION: VERIFICATIONS

25 JUNE 2018 (08 ASGARD 0002), VIENNA

This report summarises the outcome of the verification of ONE individual seeking to be approved as an Asgardian Member of Parliament, with full rights to serve and function within the Parliament.

#### BACKGROUND

Asgardian Members of Parliament must be verified 'face-to-face' – to ensure the authenticity of their credentials and identity. To facilitate this process, the Head of Administration initiated a verification day (known as an 'OVAL') in Vienna on 25th June 2018 (earth calendar).

#### OUTCOME

One individual, Oliver Moehl, attended. He presented his credentials, was interviewed by the Head of Administration, and his identity was recorded on paper and photographically.

I can report that Mr Moehl was verified as a legitimate Asgardian Member of Parliament, having satisfactorily demonstrated his identity to be authentic and his credentials to be genuine. (See Appendix 1 for the list of verified AMPs.)

#### OTHER ACTIVITY

The Head of Administration also conducted a brief induction session to provide an overview of how Parliament functions and what is expected of AMPs.
